Введение

Прочитайте инструкцию перед сборкой

ТВ подиум выпускается в 3 размерах

Перед сборкой определите размер своего продукта

До начала Antes de comenzar Before starting

Перед началом работы вымойте и проветрите помещение.

Antes de comenzar el montaje preparar el ambiente, dejándolo completamente limpio y con buen espacio para comenzar el trabajo.

Prepare the room before starting the assembly, leaving it completely clean and the area in good condition to start the work.

Используйте картонные коробки во избежание повреждения мебели.

Utilice el cartón de la embalaje y la espuma protectora para separar y apoyar las piezas desmontadas de las cajas.

Use the cardboard of the packaging and the foam sheets protection to separate and support the parts removed the boxes.

Накройте рабочую поверхность одеялом или ковром во избежание повреждения деталей во время сборки.

Cubrir la zona de ensamble con una manta o alfombra. De este modo, se evitan daños en las piezas durante el proceso de montaje.

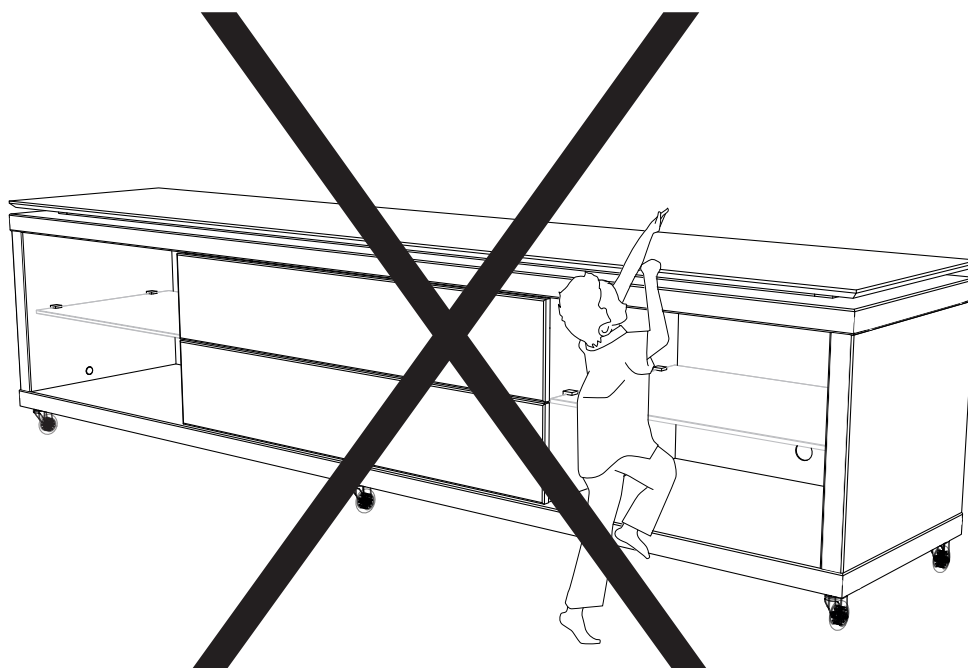

Cover the assembly area with a blanket or carpet. Thus, you avoid damages on the parts during the assembly process.

**Во избежание
несчастных случаев**
Prevenir accidentes
Avoid accidents

Не залезайте и не опирайтесь на изделие.

No se suba ni se apoye en el closet.

Do not climb or lean on the closet.

На обратной стороне детали вы найдете информацию о производственной партии, коде товара и номере детали.

Para identificar el número de pieza, compruebe en la parte posterior de cada una, ahí también se puede encontrar información del numero de lote de producción, el código de identificación del producto y el número de la pieza.

To identify the part number, check the back of it, you can find information from the production batch, product reference code and part number.
